

Company Sales Dashboard

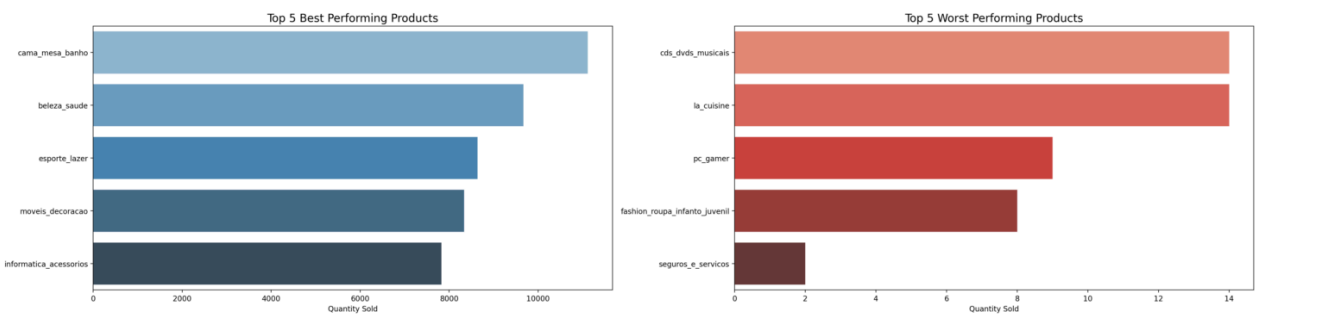

Monthly Sales Performance and Revenue

This section provides an overview of the company's monthly sales performance and revenue. The following line chart illustrates the trends in sales and revenue over time.

Top and Bottom Selling Products

In this section, we highlight the top 5 best-performing products and the bottom 5 least-performing products based on sales data. The bar charts below provide a visual representation of the quantity sold for these products.

Customer Demographic Profile

This section provides insights into the geographic distribution of our customers. The map below shows the locations of our customers across Brazil, giving a visual representation of customer density.

Additionally, we provide the distribution of customers by state and the top 10 cities with the highest number of customers.
